

Reading Fluency Logs

READING FLUENCY

Name _____

Students record the number of words read minus the number of mistakes made on the calendar.

This booklet helps student set fluency goals and track their daily rates for the entire school year.

A space is provided at the bottom of the chart. It may be used for listing the title of the reading selection, a date, or writing how many times the selection has been practiced.

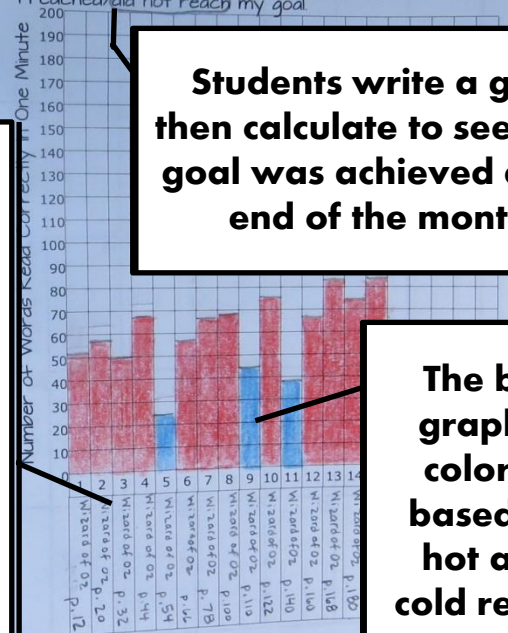

My fluency goal for August is 75

My average fluency rate for August was 60

I reached/did not reach my goal

Students write a goal, then calculate to see if the goal was achieved at the end of the month.

The bar graph is colored based on hot and cold reads.

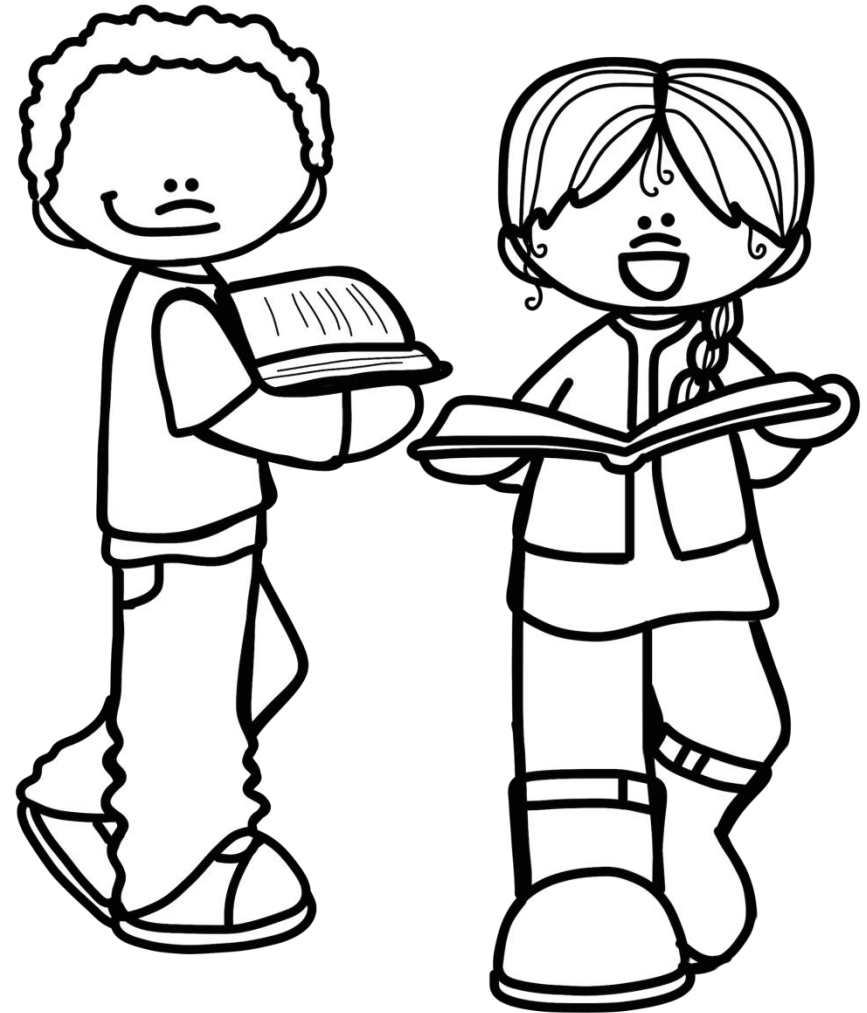

Your pages must be duplicated on the front and the back. I ran my pages front and back directly from the printer. This is a simple process. Simply place the page that has been printed on one side back into the printer for the reverse side to be printed. Once all the pages have been printed arrange them in numerical order and staple down the middle to form the book.

The next page in this packet is the cover. Print it on colored paper. The following pages form your book pages. Use this guide for printing:

- Pages 24 & 1 front with Pages 2 & 23 on back
- Pages 22 & 3 front with Pages 4 & 21 on back
- Pages 20 & 5 front with Pages 6 & 19 on back
- Pages 18 & 7 front with Pages 8 & 17 on back
- Pages 16 & 9 front with Pages 10 & 15 on back
- Pages 14 & 11 front with Pages 12 & 13 on back
